The Forum Hertfordshire

Private Hire Pack

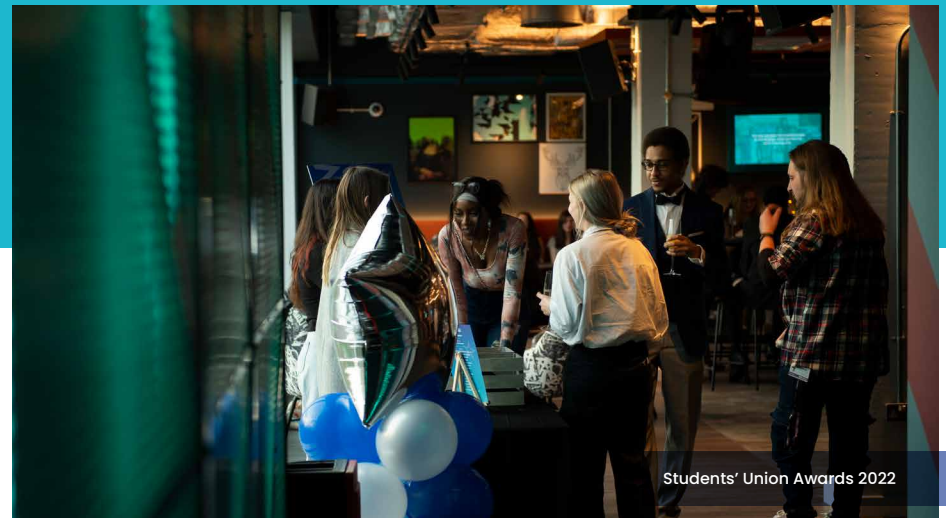

Who we are and what we do

The Forum Hertfordshire is located on College Lane Campus, Hatfield. Our venue offers two fully licenced, multi functional spaces available for hire. Having recently undergone a £10 million redevelopment, we are excited to have opened the doors back in September 2021 and are now taking booking for private events.

Accessed by a brand new informal bar space, the first floor, Seventy7, the second floor is home to our brand new nightclub, The Loft. For larger events we can open up the venue to allow full access to both floors, or have only one room open, the choice is yours and our venue team will be happy to work with you to make sure that you have the best event possible.

This short guide gives you a brief overview of our venues. For further information you can fill out the booking form on our website at www.forumhertfordshire.co.uk or alternatively email us at forumvenuehire@hertssu.com to book an appointment, to come and view our spaces.
